From the Charleston-West Ashley Ultreya Rector...

Dear Brothers and Sisters in Christ:

Spring! Yet another gift from our Holy Father! Buds are bursting, birds are warbling and you, our new Cursillistas, are spending an entire weekend free from the cares of the world while you develop a closer relationship with our God. How glorious will your experiences be this weekend as you feel the presence of the Holy Spirit, our Lord and his Father in your midst. Breathe in the miracle, soak it up and enjoy the experience of Cursillo. You will especially love the beauty of St. Christopher's Camp where nature encourages you to deepen your relationship with our God. Please pray for these new disciples in Christ, may the Lord's Grace bless them not only at Cursillo, Camp St. Christopher but in their everyday lives.. May they, enriched by the Cursillo experience, spread the wonderful word of our Lord and his Glory,

God's Blessings, Sally Fine, Lay Rector, CWA 2011
